

28 November 2006

Mr Marvin Ng, DN Venture Partners' Asia Director was in Bangkok on 28 November 2007, attending the inaugural launch of the Thailand Biotech Guide. The event was graced by the presence of Thailand's Minister for Science and Technology, Prof Dr Yongyuth Yuthawongse.

Prof Dr Yongyuth Yuthawongse.

The Thailand Biotech Guide is distributed widely to overseas investors and local life sciences organisations.

Thailand Biotech Guide

The Thailand Biotech Guide is a handbook targeted at investors who are keen to set up life sciences operations in Thailand. It contains useful information on operations set up as well as a comprehensive directory of vendors that support the local life sciences industry. It is also available online at www.biotechthailand.com.

Mr Marvin Ng is the co-author/editor of the Thailand Biotech Guide as well as the Singapore Biotech Guide (available online at www.biotechsingapore.com). For more information about the publication and its availability, please contact us directly via email or phone.
